GIRL POSES NEAR CLIFF FOR PHOTO; PLUNGED TO DEATH YOSEMITE, Calif., Aug. 7 .-

(By U. P.)-Elizabeth Jones, 17 years old, daughter of Prof. L. W. Jones of Princeton university, was killed in Yosemite park yesterady afternoon when she fell 60 feet from a cliff into the Merced river.

Her father, in a frantic effort to save her, narrowly escaped death himself. Grasping the girl's hand as he saw her falling, he was pulled far out over the cliff. His grip gave way and Miss Jones plunged to her death while Jones clung precariously to the crambling rocks. A score of visitors to the park
